13. PCSO LORCAN CANNARD REPORT.

We discussed the Higher Hurdsfield Crime Report for February 2024 that PCSO Lorcan Cannard kindly sent us. We have decided to ask him for the next Crime Report for March 2024.

14. CLIFF LANE.

a) Damaged wall.

It has been sorted out.

b) Flooding and potholes.

Our thanks to Ken Edwards- the Bollington town representative, who kindly traveled the road and gave a report on the lanes bad condition. It is possible that Ken may be able to help.

We have been saying for years and have repeatedly been told that it is a major engineering project, which will not get done. Even the flooding water freezing in the winter is not deemed serious enough to warrant work.

A. Broadhurst (chair) attended highways zoom meeting during the pandemic, and all the Parish Councils were complaining about the state of their roads. The Highways stated that in the current climate things would only get worse.

We feel that there is nothing more that we can do, but if Ken Edwards can do something about it, we would be grateful.

15. ROEWOOD LANE/ RAINOW ROAD.

a) Vehicle collision damage to wall & signage.

The wall is still down but they do know that it needs doing.

16. WELL LANE.

a) large vehicles damaging walls and road surfaces Ref. 3452223.

- b) no entry/ weight limit signs requested.

It was suggested signs at both ends of well lane. When the funds are available will do. Not a lot we can do for the moment.

17. CHANGING PARISH BOUNDARIES.

A. Broadhurst (chair) submitted our views via online survey stating that we wished to stay with Bollington. Their draft recommendations will be issued on 30th July 2024.

There is nothing more we can do about that.

18. WE WOULD LIKE TO THANK WENDY CARTER FOR ALL HER HARD WORK AS PARISH CLERK.

19. DATE OF NEXT MEETING.

The 25th of April 2024.
